### The Best Christmas Pageant Ever (Electronic Format)

[More Info](#) [Borrow](#)

By Barbara Robinson. From HarperTrophy.

★★★★☆ (4,513 reviews)

**In Electronic Format** The Herdmans are the worst kids in the history of the world. They lie, steal, smoke cigars, swear, and hit little kids. So no one is prepared when this outlaw family invades church one Sunday and decides to take over the annual Christmas pageant.

None of the Herdmans has ever heard the Christmas story before. Their interpretation of the tale -- the Wise Men are a bunch of dirty spies and Herod needs a good beating -- has a lot of people up in arms.

## Adult Book Club: December 11

Book Club is meeting on Wednesday, December 11, at 7:00 p.m.

The title up for discussion is 'All the Light We Cannot See' by Anthony Doerr.

Book summary: "Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel.

In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge." (Amazon)

While volunteering at a wildlife rescue center near Yok Don National Park in Vietnam, Chang helps rescue an injured and abused Asian elephant named H'Non. For decades, H'Non was forced to haul heavy timber logs and concrete poles at construction sites, and then to carry riders at tourist attractions all day long with no break.
